Visual Arts Trail

Birr Vintage Week & Arts Festival is proud to present this year's Visual Arts Trail, which includes work in a broad range of media by over 50 artists in 18 venues throughout the town.

About 100 Experiments

Curated by Eilís Lavelle, the exhibition explores the ways in which contemporary visual artists respond to, and draw upon scientific discoveries, ideas and methods. The work of 20 artists, acclaimed and emerging will be presented at various locations throughout the town.

Open 12-6pm or venue opening hours. See venues for details.

* Reduced entrance fee of €6.50 to Birr Castle Demesne is available to Festival goers on the Visual Arts Trail on presentation of this brochure. Admission also includes access to Ireland's Historic Science Centre and the Demesne's world famous gardens.
